General Statement of Duties:

This is a journey level position which performs the more technical analytical assignments independently and sometimes as a member of a team, such as program evaluation and planning, policy analysis and formulation, systems development, budgeting, planning, management, and personnel analysis. The incumbent studies the principles and techniques of the area of work to which assigned and under supervision, applies them. The incumbent participates in analytical studies of organization, procedures, budgetary requirements, and personnel management. Gathers, tabulates, and analyzes data; draws organization, workload, and other charts. Meets and consults with Board management and employees, and others to give and secure information; prepares reports and makes recommendations on procedures, policies, and program alternatives. Reviews and analyzes proposed legislation and advises management in areas of average complexity. Works as a Board representative in intergovernmental negotiations and prepares correspondence. **Bilingual Skills are desirable in the Spanish and Asian languages.**

Conduct research and adjudicate the more complex HFP subscriber appeals of eligibility, enrollment, and effective date of coverage decisions. Maintain a larger caseload as compared to Staff Services Analyst. Develop written recommendations to management of the appeal decision. Develop the supporting case file, in consultation with legal staff, for appeals that escalate to a review by an Administrative Law Judge from the Office of Administrative Hearings. Provide support for adjudication of appeals and hearings for the AIM Program and MRMIP.

Develop and monitor eligibility and enrollment policies and procedures, program operations and program notices for compliance with state and Federal standards and Board policy. Manage complex projects requiring the individual to lead a team and the project with little supervision. This may include on-site monitoring of the administrative vendor.

Extensive interpretation of state and Federal eligibility statutes, regulations, policies and guidelines to the HFP administrative vendor, enrolled subscribers, and the general public. Provide support for these functions for the AIM Program and MRMIP.

Represent the MRMIB in statewide outreach efforts in small and large group settings. Including public speaking about the AIM Program, HFP and MRMIP. Review, edit, and make recommendations on

outreach and program materials for distribution to the general public and HFP applicants. This may include HFP and MRMIP Open Enrollment and handbook updates and updates to the AIM handbook. Provide support for the review of HFP health, dental, and vision plan marketing plans.

As assigned, attend Board meetings and make technical presentations to the Board on eligibility and enrollment policies and issues.
